

## Free Swim Lesson Application

**Program Details:** The Free Swim Lesson Program offers free swim lessons to children in the community who do not already know how to swim.

**Requirements:** Priority goes to children with little or no prior experience. Once enrolled, consistent attendance is expected. Excessive absences may result in termination. Progressing to the pre-competitive level and/or suggested maximum of six total sessions results in the swimmer’s graduation from the free lesson program.

**To Qualify for the Program:** Child/child’s sibling must participate in the free/reduced lunch program through the school system they attend (**please attach letter from school**). If a child is not yet in school, children with parents or guardians participating in a county rent **or** utility assistance program may qualify (**please attach letter from county**).

**To Apply for the Program:** Spaces in the free program are limited. Please follow directions carefully! **Applications for the program should be sent to the address below**. Postmarks will be recorded to fill spots on a “first come first serve basis” until the classes are full. If necessary, a lottery system will be used. Qualifying documentation must be included for application to be complete. You will be notified prior to the start of swim lessons regarding the status of your application and specific dates if accepted.
